Notification of Public Forum

On Wednesday, January 20, 2016 from 6:00PM to 8:00PM, the Town of Longmeadow will host a public forum in Room A15 of the School District offices to present information regarding the current location of the Department of Public Works. The forum will feature a presentation about the existing conditions of the site and the barriers to redevelopment. A brief summary of the evaluation of other sites will also be given.

The forum will not focus on any recommendations for a new site; a new Select Board committee is being appointed that will review the current recommendations and present additional information at a future public meeting.

Please call Town Manager Stephen Crane at (413) 565-4110 with questions. Thank you.
