4. **Status of Current Projects:** Each Project liaison gave a brief description of the current status of each project.
5. **Request for CPC Funds:** Steve Gazillo, on behalf of the Conservation Commission, presented a request for \$700.00, which funds would be used to fund an evaluation of the Pomeroy Barn, which is one of a small number of historic barns located in Longmeadow. Several questions were raised relative to ownership of the barn, its contents, and liability issues. It was decided that no action would be taken by the CPC and Steve Gazillo would seek further information regarding the questions raised by CPC members.
6. **Community Outreach:** Community outreach plans were discussed to determine how to best inform the public for the submittal of project applications prior to the December, 2008 Deadline. It was determined that press releases would be used to inform the public of the CPC’s acceptance of applications.

This meeting was adjourned at 7:49PM.
