Update – Longmeadow High School Project

The Owner's Project manager (OPM) as well as The Office of Michael Rosenfeld presented the following information to the group:

- A Process Overview
- The Feasibility Study Process
- Existing Building Analysis – detailing positive features as well as facility, code and educational deficiencies
- Project Goals and Values – drafted and finalized during the visioning forums
- Alternative Approaches- including a no build option, several renovation options and new construction scenarios

When the presentation was complete, the floor was opened to questions from the Board's in attendance. Public questions will be addressed at the forum September 16th at 7:00 pm at Glenbrook Middle School Auditorium.

The entire power point presentation can be downloaded and viewed online at www.longmeadow.org/sbc. Comments or questions can also be directed to the School Building Committee's email at longmeadowsbc@yahoo.com.

The meeting was closed at 7:30 pm.

Respectfully Submitted,

Stacy Wieners
