

## **Minutes Longmeadow Historic District Commission**

**March 9, 2010**

Meeting brought to order at 7:35.

Those present: David Miller, Heidi Shea, Karen Lazeration, David Kowarsky, Crystal Diamond, Ed Burt, Diane Nadeau, Karen Polep, Anna Sogliuzzo, Michelle Steger

Linda and Anna presented information regarding 734 Longmeadow Street. The house will soon be going on the market and the present owners are looking into a zoning change for usage. They were asking us about any objections from our commission and we explained that we have the right to review only changes made to the house with a view from the public way.

The Colony Hills Hist District committee brought us up to date with their progress. They are shooting for the fall town meeting to bring it to the town for a vote. The Springfield District has already been approved by the city.

Meeting adjourned at 9:00 pm.
