

TABLE OF CONTENTS

1 Executive Summary

2 Final Design Space Program for Preferred Schematic Design

3 Schematic Design Consultant Reports

- Geotechnical Report (from Feasibility Study)
- Environmental Site Assessment: Phase 1 Initial Site Investigation Executive Summary
- Hazardous Materials Report (from Feasibility Study)
- Traffic Analysis
- Code Analysis- Building and Permitting Issues

4 Schematic Design Plans & Elevations

- Site Plans
- Architectural Plans
- Exterior Elevations
- Building Sections
- Schematic Massing Images
- Expansion Capability Diagram

5 Special Education Program Information

- District Letter to DESE
- SPED Floor Plans to DESE

6 Room Data Sheets

7 Narrative Building Systems Descriptions

- Site
- Structural
- Mechanical
- Electrical
- Plumbing and Fire Protection
- Information Technology, Audio Visual and Security

8 Outline Specifications

9 MA-CHPS Scorecard and Summary**10 Consultant Estimates**

- FF&E Equipment List and Estimate
- Technology Equipment Estimate
- Hazardous Materials Remediation Estimate

11 Value Engineering**12 Total Project Budget and MSBA Form 3011****13 Construction Estimate**

- D G Jones International Inc. Construction Estimate
- PM&C Construction Estimate Summary

14 Projected Cash Flow**15 Project Schedule**

- Schedule
- Phasing Diagram

APPENDIX

- Schematic Design Drawing Set: Complete Architectural and Engineering Schematic Drawing submission (3 sets)
- 1 copy of the complete Environmental Site Assessment report for your records
- Submission on CD-ROM, including the complete ESA Report
