The Finance Committee participated in joint meeting with the Select Board and School Committee. The main topic of the meeting was Town finances. Minutes of this portion of the meeting are posted as Select Board minutes.

Four members of the Committee (Peskin, Gunn, Barowsky, and Nolet) remained after the joint meeting to act upon FY07 Reserve Fund Request (RFR) #1 \$10,900 Fire Vehicle Maintenance. Chief Madison gave an overview of the condition of the 1992 Engine #2 (57,136 miles, 3,123 hours) and the required repairs. The Committee approved the RFR subject to potential replenishment (this a result of the reduced FY07 Reserve Fund (\$100,000) and such a large need so early in the FY).

The Committee voted to adjourn at 9:50 pm.

Respectfully submitted,

Paul J. Pasterczyk
Finance Director
