Tuesday, June 8, 2021

7:00 PM

AGENDA

Updated 06/01/2021

Visitor Comment/Question Period

Old Business:

1. Review/Approve Meeting Minutes of May 11, 2021
2. Columbia Gas update

New Business:

1. 050721 - [Kristy Riley](#) and [Michael Cobill](#), 655 Longmeadow Street - Install a black aluminium fence towards the rear of their property.
2. 051021 - Town of Longmeadow, 693 Longmeadow Street - Install a new asphalt roof that is colored "pewterwood"
3. Concern 060121 - Bay Path University, 577 Longmeadow Street - Security camera installed on the North side of the building without a Certificate of Appropriateness.
4. Modify Rules and Regulations to add the following note to Section V. Changes Requiring Commission Approval: **- Visibility from a public way can only be blocked by a structure or nonliving landscape feature(s). If visibility from a public way is inhibited by a living landscape feature such as a tree or shrub, the change would be considered, visible from a public way for the purpose of these rules and regulations.
5. Modify Design Guidelines Section 9 Landscaping Features as follows
Landscaping features such as statuary, ~~children's play equipment~~ and water features, should not be visible from a public way. Children's play equipment must be located towards the rear of the property to minimize impact to the streetscape and be removed when the children have outgrown using it.
6. Election of Officers
7. Adjourn
