

SKATE PARK WORKING GROUP-Community Information Forum

SEPTEMBER 28, 2021

Event purpose:

Review possible skate park sites and make recommendations on preferred site.

Presentation on skate park styles and costs

Pillar Design Studios is a national skate park design firm. Brad Siedlecki of Pillar will be on the call to discuss the details of each site and talk about park styles, possible in-kind processes, and associated costs.

This study was funded by the Longmeadow Community Preservation Committee.

Agenda for the Community Information Forum

- Welcome
- Overview of sites and summary of project: the site constraints and opportunities and an outline of the project program as defined by bid scope
- Consultant (Pillar-Brad Siedlecki) shares the possible sites, pros, and cons for each feasible site and will make a recommendation of best possible site for a future skate park. Pillar will also share some example skate park concepts, in-kind process, and associated costs.
- Open Discussion
- Next Steps/Schedule/Expectations
- Close
