From: Katherine T. Ingram  
Town Clerk

Subject: Resignation on the School Committee  
Bronwyn Monahan

Date: February 16, 2022

Dear Select Board:

Bronwyn Monahan submitted to me an official resignation letter from her seat on the School Committee with a future certain date effective June 14, 2022.

Since the nomination papers are still available until March 8, 2022, I recommend that the Select Board vote at the meeting on February 22, 2022 to direct me to immediately add this future known vacancy to the 2022 Annual Town Election warrant. The remaining term will be for two years.

The Select Board meeting on February 22<sup>nd</sup> is the last date for the Select Board to direct this office to add this to the election schedule, beyond that it will be too late to add this to the Annual Town Election ballot and will result in the Select Board and School Committee having to go through the joint appointment process.

Should you have any questions, please feel free to reach out to me directly.

Thank you for your consideration on this matter.
