RE: FY 2023 Town Manager Budget Update

As reported during the March 7, 2022 Town Manager FY2023 budget presentation, the budget was \$200,000 short of being able to reach the 1.75% goal. However, I am pleased to report that after a \$75,000 shift in the salary/wage apportionment line to a warrant article funded through free cash and a reduction in the School department budget of \$125,000, as approved by the School Committee on March 15, 2022, we now have a balanced budget meeting the 1.75% budget goal. The attached budget documents reflect the changes.
