Re: Community Assessment of Longmeadow

Dear Chair of Select Board Angelides,

Assessments for Fiscal Years 2019 and 2020 have been completed. These assessments are based on the audited figures for Fiscal Years 2018 and 2019, respectively. Fiscal Year 2018 total assessment was \$8,729,645. Your community's share of this assessment was \$47,985.

As you are aware, the Authority can increase the local assessment by 2.5% per year under Proposition 2 ½ plus the cost of new service when applicable. For FY 2019 the Authority will increase local assessments under Proposition 2 ½ to \$8,947,886. Your community's share of this assessment will be \$51,570. The difference to the prior year's assessment of \$3,485 is due to aggregate increases in the assessments by 2.5% proportioned according to service levels in each community.

Please contact me if you should have any questions.

Sincerely,
