Public Comments: There were no public comments

Old Business:

1. Minutes from the May 12, 2020 meeting were unanimously approved.
2. Columbia Gas update: Tim Casey was provided the contact information for Aimee Henderson at Columbia Gas. Aimee and Tim spoke via phone on 6-8-2020 and Aimee apologized for the delayed response on the issue and explained that Columbia Gas would be putting together a list of affected properties and explained the movement of the meters was related to new safety best practices that had recently been implemented.

New Business:

1. Application 042920-Sarah Morgan for 977 Longmeadow Street to change the paint color of her house to white and to add a fence to the rear of the property. The application was approved unanimously.
2. Carri Greenman has had conversations with her work's legal department and other realtors and she believes that it would be best if a realtor on the commission call other realtor's that are the agents for sellers within the district and have them add language explaining the historic district and providing a link to the HDC website in the firm notes section of the listing instead of creating a separate disclosure. Tim Casey suggested that this role be codified in the Commission's rules and regulations and the commission will take up this addendum to their rules next meeting.
3. Paul Calento was not present at the meeting and will provide an update on the Google Maps project at a future meeting.

Meeting Adjourned at 7:26 p.m.

Respectfully
