## *Application for* **Community Preservation Act Funding**

### Instructions

1. Review attached Community Preservation Act (CPA) funding eligibility, selection criteria (Appendix), and application.
2. Prepare and submit 10 typed and double-sided copies of the application form and project description to the CPC, c/o the Town Clerk's Office, Town Hall, 20 Williams St., Longmeadow, MA 01106.
3. The Community Preservation Committee (CPC) will accept project proposals **through December 3<sup>rd</sup>, 2015** for possible consideration at the following Annual Town Meeting.
4. The CPC will review all applications by December 31 and schedule a meeting with each applicant to discuss its proposal.
  - a. The CPC may ask for more information before deciding to recommend the proposal for funding.
  - b. The CPC may request that you present your proposal at a public hearing.
5. If the project is selected for a funding recommendation, the CPC will submit it to Town Meeting.
6. Town Meeting has the sole authority to fund projects.

*\* Please note that the Committee reserves the right to modify these procedures and timeframe. Emergency applications will be accepted at the discretion of the CPC. The committee reserves the right to reject applications that are incomplete or late.*

DEPARTMENT OF PUBLIC WORKS

**FY2017 CPA Application**  
**Russell Field Netting, Softball Backstop Enhancements and Scoreboard Replacements**

This project will address two issues on Russell Field. The first is the safety concerns of stray balls projecting into traffic on Bliss and Blueberry Hill Road. Installation of netting and back stop improvements will help to minimize these issues. The second issue is replacement of the outdated scoreboards. The two scoreboards located on Russell Field are 20 years old and are a continued maintenance issue. Replacement of these will decrease maintenance costs and enhance sporting events at Russell Field.

**Action and Timeline:**

Plans and specifications can be developed and completed during the summer if the project receives a recommendation and funding.

**Maintenance:**

Maintenance of netting and scoreboard will continue to be provided by the DPW Maintenance and Grounds Divisions.

**Preservation:**

The replacement of the Russell Field scoreboards will coincide with the High School Field improvements. The netting will enhance safety for vehicular and pedestrian traffic as well as the safety of students retrieving stray sporting equipment.

**Budget:**

It is estimated that the project will cost \$78,000. Quotes for two permanent scoreboards and one portable unit are attached totaling \$58,093.00. Additionally a quote for netting and back stop improvements totaling \$9,853.95 and the estimated cost for installation is \$10,000.
