Volunteer Pioneer Valley is a revolutionary web-based solution that helps nonprofit offices **find and pair volunteers** with the **right opportunities**. A simple tool with a sophisticated social engine, Volunteer Pioneer Valley is **“the answer”** for developing **and maintaining long-term volunteer relationships**.

Get Connected...

- Enables **nonprofits** to easily advertise volunteer opportunities, in-kind needs, and special events to your local community and beyond, using a familiar social environment.
- Allows **members of your community** to browse what needs exist and then register to be automatically notified when volunteer opportunities arise around their passions.
- Builds a **database of volunteers** to easily communicate and engage with them based on their volunteer history and interests/skills.

Benefits:

- **Save Time & Money!**
 - Drastically reduce staff time needed to communicate volunteer needs
 - Automatically place individuals with opportunities to serve
- **Increase The Impact On Your Community!**
 - Build stronger relationships with nonprofits
 - Have the ability to support more nonprofits than ever before
 - Build stronger relationships with individual volunteers
 - Meet more of your community's needs
 - Increase the number of volunteers
- **Develop Supporters That Give More!!**
