

# Save Time and Make Fewer Trips to the Pharmacy with Health New England's Access 90 Program

Under HNE's Access 90 Program, you can save on trips to the pharmacy. Now you can order your prescriptions once every three months instead of monthly. Many maintenance drugs (drugs that need to be taken daily) are part of this program.

We offer the Access 90 Program for your convenience. Your pharmacy copay applies to each 30-day supply of medication. When filling a 90-day supply, three copays apply.

The Health New England Access 90 Program does not apply:

- To drugs that do not qualify under the program
- To prescriptions filled at our specialty vendor
- If prohibited by law

## Signing up is easy

1. Visit our Health New England [Formulary Lookup](#) tool to see if your drugs qualify
2. Ask your doctor for a prescription for a 90-day supply of your drugs
3. Bring your prescription to a participating pharmacy.

*(All in-network pharmacies participate in the Access 90 Program.)*
