**NOMINATION OF BENEFICIARY**

G.L. chapter 32, Section 11(2)(c). Any member, upon his written notice on a prescribed form filed with the board prior to his death, may nominate, and from time to time change, one or more beneficiaries to receive in designated proportions any sum becoming payable under the provisions of this subdivision on his/her death; provided, that any such beneficiary nominated by a minor shall be of his kindred. The payment of any such sum or portion thereof to his beneficiary or beneficiaries of record surviving at his death shall bar the recovery of such payment by any other person. If there is no beneficiary of record or if any beneficiary of record is not living at the death of such member, such sum or the amount which would have been paid to such beneficiary if he had survived such member, as the case may be, shall be paid to the legal representatives of such member; provided, that if any such sum or amount does not exceed three hundred dollars, and if there has been no written demand upon the Board for payment thereof by a duly appointed executor or administrator of the estate of such member and the Board has not otherwise been informed that probate proceedings relative to such estate have been commenced, such sum or amount may be paid after the expiration of ninety days from the date of death of such member, to the person or persons appearing in the judgment of the Board to be entitled thereto. The payment of any such sum or amount in such a manner, or to the natural or legal guardian or conservator of a minor or incompetent beneficiary, shall constitute a legal settlement of all claims on account thereof to the extent of such payment and shall bar recovery of such payment by any other person.

Payment shall not be made under this subdivision if the deceased member is survived by a beneficiary appointed under Option (d) of subdivision (2) of Section 12 who is eligible to receive the allowance provided by said option, nor if the deceased member is survived by a person eligible to receive the allowance provided for in Section 12B, or is survived by a child eligible to receive the allowance provided for in Section 12B, unless the widow or person acting for such child elects, in lieu of receiving allowances provided for in said Section 12B, to have payment of any monies due made in accordance with the provision of this paragraph.

Beneficiary or beneficiaries nominated will receive in the proportion designated any sum due at your death. The right to change any nominated beneficiary is reserved by the member.

## Statement Concerning Your Employment in a Job Not Covered by Social Security

---

Employee Name \_\_\_\_\_ Employee ID# \_\_\_\_\_

Employer Name \_\_\_\_\_ Employer ID# \_\_\_\_\_

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

### Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

### Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

## Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, [www.socialsecurity.gov/online/ssa-1945.pdf](http://www.socialsecurity.gov/online/ssa-1945.pdf). Paper copies can be requested by email at [ofsm.oswm.rqct.orders@ssa.gov](mailto:ofsm.oswm.rqct.orders@ssa.gov) or by fax at 410-965-2037.
