17.9M US male adults have diabetes

Historically, men have not been comfortable discussing issues about their health, particularly conditions like diabetes. However, it's important to talk with your doctor about your health because many conditions like diabetes are preventable or treatable with awareness and attention.

Participating in the **Good Health Gateway**[®] Diabetes Care Rewards Program helps you manage your diabetes and rewards you for doing so.

Your health is your wealth.

- 1 Join at GoodHealthGateway.com at no cost to you.
- 2 Complete your routine diabetes labs and exams with your doctors.
- 3 **Earn \$0 copays on diabetes medications and supplies for speaking up and taking care of your health!**
